

SCHOOL DIRECTOR LEGISLATIVE PROGRAM

The board will represent the district's interests in legislative action to promote the welfare of public education in the state of Washington or will direct those interests to be represented through its executive officer, the superintendent or designee.

As a public entity, the board must operate within the bounds of state and federal laws affecting public education. To effectively meet these responsibilities to the public and students of the district, the board will work vigorously for the passage of new laws designed to advance the cause of effective schools and for the repeal or modification of existing laws that impede this cause. The board also supports a legislative program that fosters the maintenance of local control in decision making and governance within the district.

To achieve these goals, the board will periodically study, discuss and weigh the merits of pending legislation for the purpose of establishing its official position through board action. When established, these official positions will be the position of the district in the legislative process.
