Superintendent report

- ICU program is up and running. 100 missing assignments turned in so far.
- PD schedule is very full and have completed 4 weekly RTI meetings for secondary and elementary as well as 4 sessions of professional development surrounding our text "A Framework for Understanding Poverty". A copy of the text has been provided to each board member.
- REACH program has started and the kick-off event at Horsethief lake was a great success.
- SAT tests are scheduled to occur in December
- PSAT will be October 19th
- Open House was successful with a good turnout but we would like to explore ideas to increase the community turnout next year.
- Halloween carnival will be October 31 from 3:30-5:30
- TPEP training is going to be provided to all interested individuals - in Lyle from 5:00-8:00
- Research is in progress for alternative assessment programs that will provide data that will help us better predict our SBAC outcomes.
- Parent teacher conferences scheduled for next week.

Director of Operations report

Fire arms protective equipment has been shipped and once received training will be started.

Sports – Football and Volleyball both off to a great start. Volleyball team took 1st place in last weekend's tournament in White Swan. JH sports also going strong. Encourages everyone to come out and watch some sports.

Wishram School Board Minutes

a. Elementary – K.Guthrie, Lead Teacher

Nearly all early year assessment testing is complete. Ms. Guthrie provided an explanation of what each of the assessment tests are looking at. Results will be available to be reviewed with parents at next week's parent teacher conferences.

Elementary students are attending the REACH After School Program

First elementary field trip: Going to the Mosier Tunnels. Each of the teachers have prepared a lesson plan specific to the each of their class towards tying the information learned directly to the subject being taught in the classroom this year.

Reports that things are running smoothly in the elementary level.

b. Running Start program – B.Cameron

Running Start provides students with high school credit and college credit at the same time. Wishram has students that needed classes that are not currently offered at Wishram. Upon learning this, Mr. Cameron did some research and has launched a Running Start program for 4 students and because of meeting certain requirements the classes are at no fee as opposed to \$400/credit and each of the students are taking a 5 credit class. It is a great experience for the students and the direction that Wishram intends to continue.

c. Secondary – B. Barnhart, Lead Teacher

- Reviewed the quality of assessments tests being used for secondary students and weighed in on the pros and cons. Ms. Barnhart is part of a group called Math Fellows and some time is spent discussing the quality of assessments.
- Joan Chantler is teaching English and reports that she is enjoying it.
- K.Ringer is teaching a "full-on" secondary Art class. The class is full and very busy.
- P. Pickette is teaching some secondary classes this year.
- Ms. Barnhart is teaching Financial Algebra for a full year this year.
- Mr. Roberts and Mr. Cooper are co-teaching 6th grade math.
- ASB officers and class reps were elected.

WISHRAM SCHOOL DISTRICT NO. 94

October 19, 2016

To: Michael Merrin, Director, Office of Student and School Success, OSPI
Fr: Wishram School District #94 School Board
Re: Demonstrated Evidence for Principle 1 – Providing Strong Leadership at Wishram School

I have reviewed the performance of the current principal, Mr. Mike Roberts, and determined that he has a demonstrated track record in improving achievement and has the ability to lead the turnaround effort within Wishram School. Mr. Roberts was appointed principal in 2015, and has already implemented many exciting programs and procedures to ensure the maximum amount student success at Wishram School.

Evidence supporting my decision to continue Mr. Roberts' appointment as principal includes the following:

- Completed the first phase of Cell 5 D Training – cite specific evidence for the 8 state criteria
- Trained in the SIOP framework for differentiating instruction to meet the needs of today's learners.
- Professional Development regarding the implementation of the "Power of ICU" book study for all staff members
- Coordinates with Ron Franklin and the School Leadership Team to drive INDISTAR plan, and ensure that the plan reflects actual practices and procedures within the school.
- Previously completed successful turnaround efforts within large and small school districts.

Please do not hesitate to call if questions or concerns.

Respectfully submitted,

Clyde Rosa
