BOARD MEETING

School Board Directors attendance: School District employees in attendance:

Kandy Churchwell Clyde Rosa Christina Patten-Rowan Chelsea White Jason Blodgett	Guy Strot Tye Churchwell Sarah Hathaway Lead Teachers: Kadee Herrington
---	--

Guests Present: George stockoff, Ursula Montoya, Kayla & Rob Douglas, David Schwinoff, Ian and Arielle Sanderson, Skye Cooper, Tiffany James, Gabe Montoya, Trenton Catron, Mrs. Yabara

- A. Call to Order at 5:17pm
- B. Pledge of Allegiance lead C.Rosa
- C. Roll Call - all members present
- D. **Comments from Audience (Meeting guidelines statement read by C.Rosa)**

URSULA MONTOYA - stated that she hoped for answers and expected to get answers, stated that she was concerned that people that used to be in charge were not included in new procedures that are being created.

Robert and Kayla Douglas - agreed with Ursala Montoya and added that the preschool building has no security of any kind and if something had actually happened, the preschool had eight kids that were not protected.

David Schwinoff - Asked why were parents not notified on the same day? Why was the student not removed and put in custody. Wants to know if the student is currently free or detained. Commented that there is no stopping an active shooter in this building and the priority needs to be protecting the students.

Tiffany James - Expresses that she loves the school and staff. Referenced the recent Texas shooting. Believed that it couldn't happen here and begged that that the staff do better at communicating because parents live for their children.

Ian and Ariel Sanderson: Referenced WA State guidelines regarding notifications and what went wrong in this situation and while he doesn't need to know every detail, he does want to know what the school is doing now to keep everyone safe. Does not consider what has been released so far to be

sufficient information. Ariel added that there is lots of information going around out there. Stated that you can't take threats too seriously and decisions on how to act can't be made unilaterally. Stated that there are areas around the school that leave their children vulnerable, and parents need to know that the school is doing everything possible to keep their children as safe as possible.

Trenton - concerned about communication around this issue. Should have already had protocols to handle this and wants to know what the new protocols will be.

Superintendent Strot responded to the audience of concerned parents assuring that he takes the situation seriously and takes full responsibility for the failures in how this threat of violence was handled. Mr. Strot stated that a protocol has been prepared that addresses the immediate steps the school staff will take including the notification procedures. He also said that we are looking at both the Emergency Plan document and safety additions to the building. Mr. Strot stated that while we can't promise to make it 100% safe, we can take actions to make improvements. He also stated that while he can't address the specific inquiries about the student, he will share the new protocols.

Mr. Churchwell also addressed the meeting audience assuring them that he would do everything possible to keep their children safe.

C.Rosa asked T.Churchwell to describe some of the safety protocols that we do have in place. He described building changes that we are looking at. He also promised that we will have a precise plan to respond to a threat but cautioned that the details of such a plan will not be shared for the protection of students and staff against such a threat.

E. STAFF REPORTS

a. SUPERINTENDENT REPORT:

1. The elementary teachers and I met with ESD 112 on K-5 Literacy curriculum.

We have asked the regional math specialist for ESD 112 to review our current K-5 Literacy curriculum and give us feedback as well as taking a visit to two elementary schools which are using new core curriculum to hear first hand what the teachers have to say.

2. End of the year testing schedule and preparation.

Mr. Devoe, Mrs. Justman, and Mrs. Taylor continue to get the students ready. Here is the schedule for both the 6 state tests the students need to take as well as our third I Ready reading and math diagnostic

3. Scope and design of complete project in July

We cannot spend the money we have received for planning until July so the design and cost work from the construction services group within ESD 112 will occur in July. They will present their findings to the school board in either July if we can or August. If the school board approves the design, we will move into finding the funding. The design will include modernizing our current building, and constructing two separate buildings, an elementary school and a combined gym, community center, wood/metal shop, and science classroom/lab.

4. Continuing to pursue AmeriCorp and finding a math teacher

We are continuing to try and get two or three AmeriCorp volunteers next year as well as finding a math teacher. At this point, no one certified to teach math has applied.

5. Looking at options for space and learning

As we move closer to fall, we will need to start making plans. The state limits us to 17 students in the K-3 grades and some of our classrooms are small. We have added 15 students since the start of the school year and there are still 30 + homes that will have families in them. As of today, our classes next year will be K-1st with 14 students, 2nd-3rd with 13 students and 4th-5th with 12 students.

6. Student Threat and Changes as a result

We are in the process of making changes to our safety plan as a result of the threat. We have refined the immediate steps if this happens again including communications to staff, parents and the school board. We are also looking at safety upgrades to both the main building as well as the preschool.

b. DIRECTOR OF OPERATIONS REPORT

Reduction of speed on Highway 14:

LisaRene Shilperoort

Response Letter from WSDOT

Walking man signs went up on both sides of Wishram Heights. Most people claim they don't notice them.

They will do an engineering study in April and then will reach out to schedule a meeting with our town.

125 Mains St.:

We were issued the final permits yesterday with approval of the hard surface approach to be 35' tapering to 30' by 10'. Due to the county requirements, the project has been adjusted to keep the price within the approved amount. The adjustments fence height will now be about

**Wishram School
Board Minutes**

8' instead of 12'. We will only do one approach so we will only need one vehicle gate. So far, it's looking like the cost will remain the same.

Power at Property. Reminded the board that one change order is expected which will be the addition of a meter stand and meter box with power.

This cost will be: \$5,031.00

200 Amp Service on Pedestal

4 plug gfci outlet box installed on pedestal

5 circuit breakers (more can be added at a later date)

KPUD engineering and ins of new service from existing pole, labor and permits included

Vehicle Inspections:

April 10, 2023

All vehicles passed inspection.

Plumbing Grant:

Still waiting on Bids.

Apollo:

No new news.

MCCC Head Start:

We are working on a few things with them to get them fully licensed so that they can have kids for a full day. Right now they can only go for 4 hours.

T.Churchwell responded to questions from the board regarding the fence height and access location and demolition start date.

c. LEAD TEACHER REPORTS

- Kadee Herrington- Reported on recent curriculum review and a Professional Learning Day to introduce outdoor learning. Reported on upcoming fieldtrip to Goldendale FFA. Ms. Herrington reported that she is working closely with the Head Start program to get the preschool kids ready to be introduced to Kindergarten.
- Secondary(read by Mr. Strot) Reported that Mrs. Taylor and Mr. Devoe are running interim state testing and that Mr. Cameron is working to get students ready for state testing in science.
